## SET-PD (Boost)

Build your employability and work skills using the Skills for Employment, Training & Personal Development (SET-PD) framework. Work in small groups, grow in confidence.

E3 to L1 Qual + English & Maths Functional Skills.  
Aylesbury & Thomley

## Work & Study

We work with the young person to choose and setup a work or volunteer placement for up to 16 hours per week (attendance is essential) and one to one tutoring on Functional Skills & Employability.

E3 to L2 Qual + English & Maths Functional Skills.  
Outreach across Bucks & Herts

## Construction Multi-skills

Our ever popular Construction Multiskills combines crucial Health & Safety modules alongside practical skills like painting & decorating, tiling and carpentry.

E3 to L1 Qual + English & Maths Functional Skills.  
High Wycombe only

## Sports

This Sports course combines theory and practicals. It offers great opportunities to learn about teamwork and emotional intelligence to support future employability in a wide variety of careers.

E3 to L1 SET-PD Qual + English & Maths Functional Skills.

High Wycombe only

## Beauty

A course that combines theory with practical skills. A great foundation for further learning, internship or work.

E3-L1 SET-PD Qual + English & Maths Functional Skills  
High Wycombe only

Courses have no academic entry requirements and are one-year full-time. Learners can be aged 16-18 or up to 25 for courses open to learners with an EHCP. Our referral form can be downloaded from the Bucks-Herts page of our website
